

Rolled patch that can be cut into any length to fit the size of the affected area

# サロンパス®ロール

## Salonpas® Roll®

<Less scented> Analgesic anti-inflammatory patch

### Product features

- Active ingredients adhere and penetrate into the skin to relieve aches and pains in the shoulders and muscles.
- This product has perforations every 5 cm and can be cut into any length by hands.
- With the use of the elastic backing cloth, this product can fit firmly and feel like a bare skin, without any roughness or tension.
- Special polymer that causes less pain when removal, enabling this product to be used on areas with hair, such as legs and arms.
- Less scented, skin-colored patch that does not stand out.

### [Precautions]

 **Do not use:** [Failure to follow directions may result in worsening of current symptoms or cause side effects.]

Do not use this product on the following areas:

- (1) Around the eyes and mucous membranes.
- (2) Eczema, eruptions, and wounds.

### **Ask a doctor:**
