

Active ingredients penetrate and work

サロンパス®

Salonpas®

Analgesic antiinflammatory plaster

Product advantages

- Contains 10% methyl salicylate as an analgesic/antiinflammatory ingredient to relieve aches and pains of tired muscles.
- Soft and gentle upon application, and does not cause pain during removal.
- Slightly large sized patches allow appropriate coverage of the affected area.
- Beige colored patches that do not stand out or make you conscious.
- Patches have “Marukado®”, making them resistant to removal even when clothes brush against them.

⚠️ [Precautions]

⊗ Do not use: [Failure to follow directions may result in exacerbation of current symptoms or cause adverse reactions.]

Do not use this product on the following areas:

- (1) Around the eyes and mucous membranes.
- (2) Eczema, eruptions, and wounds.

Ask a doctor:

1. Ask a doctor, pharmacist or registered sales representative before use, if you have a history of allergic symptoms due to drugs.
2. If the following symptoms appear after use, they may be adverse reactions. Stop using this product immediately, and ask a doctor, pharmacist or registered sales representative with this box.

Related area	Symptoms
Skin	Rash/redness, itching, eruption, pigmentation, peeling

3. If the symptoms do not improve after 5 to 6 days of use, stop using the product and ask a doctor, pharmacist, or registered sales representative with this box.
