Product features

- Moderate warming sensation provides excellent effects on stiff neck, low back pain, and muscle pain.
- This product is the hot type of “Salonpas 30”.

[Precautions]

 **Do not use:** [Failure to follow directions may result in worsening of current symptoms or cause side effects.]

Do not use this product on the following areas:

- (1) Around the eyes and mucous membranes.
- (2) Eczema, eruptions, and wounds.

Ask a doctor:

1. Ask a doctor, pharmacist or registered distributor before use, if you have a history of allergic symptoms due to drugs.
2. If the following symptoms appear after use, they may be side effects. Stop using this product immediately, and ask a doctor, pharmacist, or registered distributor with this box.

Related area	Symptoms
Skin	Rash/redness, itching, eruption, pain, pigmentation, peeling

3. If the symptoms persist after 5 to 6 days of use, stop using the product and ask a doctor, pharmacist, or registered distributor with this box.

[Indications] Stiff neck, low back pain, muscle pain, muscle fatigue, bruises, sprains, joint pain, bone fracture pain, frostbite

[Dosage and usage] Apply to the affected area several times a day.

<Precautions related to dosage and usage>

- (1) Children should use this product only under adult supervision.
- (2) Do not warm the affected area to which this product is applied with a heating pad or electric blanket.
- (3) Discontinue use at least 1 hour before a bath or shower because it may induce strong stimulation.
Also, do not use immediately (within 30 minutes) after a bath or shower.
- (4) Clean the skin of the affected area before application.
- (5) Do not apply to the same area continuously if you have sensitive skin.

* This product contains capsicum extract as an active ingredient to provide a warming sensation.
This product may induce stimulation in rare cases. In such cases, stop using this product.
